

# WADENA COUNTY HUMANE SOCIETY

## DONATION DRIVE

HELLO Sunshine!

**Happy Spring!**

At Wadena County Humane Society, our primary goal is to bring love and sunshine to the lives of lost and homeless animals every day. We provide them with love, hugs, care, and a safe home until they find their “fur-ever” homes.

**We want every animal in our care to feel the warmth of the sun on its face and the joy of a happy, healthy life.**

**We can't do this alone!** Please partner with WCHS and SuperOne Foods to support our efforts to continue our services. Your contribution will help us provide critical services such as veterinary care, food, shelter, and love to animals in need.

**For some animals, their time with us at WCHS is the first time they've experienced the warmth of love and kindness.**

Like rays of sunshine are to a plant, we see them come out of their shell, grow, and prosper under our care. Whatever gift you can make, rest assured it is appreciated more than you know and will light the way for pets on their journey home.

**From the bottom of our hearts, THANK YOU! -- The WCHS Team**
